Glue the six opinions about Edward John Eyre here.

The Eyre Peninsula is named after Edward John Eyre.	Edward John Eyre took great risks and was very brave.	I think Edward John Eyre was a very determined man.	Edward John Eyre named Mt Hopeless in northern South Australia.
Eyre's station hand Baxter joined him on his expedition to W.A.	Edward John Eyre should have taken more supplies with him on his expedition.	Wylie joined Eyre's expedition party on the 3rd of November 1840.	I really like Edward Eyre! He's the best explorer!
Eyre and Wylie were rescued by the crew of a ship called the 'Mississippi'.	Eyre received the Founder's Gold Medal from the Royal Geographical Society.	Eyre put his own safety at great risk by going on adventures.	Eyre and Wylie were great friends who looked after each other.
