RESOURCES

Matthew Flinders Voyage

Complete the checklist to show Matthew Flinders' voyage to circumnavigate Australia and the locations of his discoveries.

- Complete the dot-to-dot to show Matthew Flinders Voyage around Australia. Do this in pencil first and then use a coloured pen or texta to make it stand out.
- Identify and label all the captial cities marked on the map by a large black circle.
- Use your Atlas to locate the following places on the map. Ensure you label each location correctly.
 - Cape Leeuwijn
 - The Great Australian Bight
 - Fowlers Bay
 - Kangaroo Island
 - The Gulf of St Vincent
 - Encounter Bay
 - Bass Strait
 - Flinders Island
 - Norfolk Island
 - Torres Strait
 - Gulf of Carpentaria

Colour your map in neatly then cut carefully around the edges and glue it into your work book.
